GET INVOLVED IN SHAPING THE FUTURE OF THE TRIANGLE

Community Roles & Opportunities

The Triangle Community Vision Plan is grounded in community leadership, shared decision-making, and equitable participation. There are multiple ways to get involved, depending on your time, interests, and role in the community.

Community Organizations: Trusted Partners Leading Community Engagement

Community Organizations serve as core engagement partners in the planning process. These organizations bring deep neighborhood knowledge, trusted relationships, and experience working alongside GES residents.

What Community Organizations Do

- Host and facilitate community meetings, workshops, and small group discussions
- Reach residents through existing networks, events, newsletters, and social media
- Gather and synthesize community feedback and priorities
- Help ensure engagement is inclusive, culturally responsive, and accessible
- Participate in the project's Guidance Team

Criteria

- Established community-based organizations with strong ties to Globeville, Elyria, and Swansea
- Organizations experienced in community engagement, outreach, or advocacy

Time & Compensation

- Up to $10,000-15,000
- Time Commitment: Up to 20 hours per month
- Duration: Approximately 12 months
- Organizations are compensated through an agreement
- Organizations that want to provide meeting space and share posts can also participate and will be paid for venue use.

Block Captains: Paid Community Leaders & Neighborhood Ambassadors

Block Captains are paid resident leaders who play a hands-on role in engaging neighbors and grounding the plan in lived experience. This role includes leadership development, training, and ongoing support.

What Block Captains Do

- Participate in training on outreach, facilitation, and planning concepts
- Serve as trusted points of contact within assigned neighborhood areas
- Talk with neighbors through door-to-door outreach, pop-ups, and events
- Help share surveys, meeting information, and planning updates in person and on social media
- Thoroughly track authentic community feedback, questions, and sentiment
- Participate in the Guidance Team, maintain detailed reporting, and generate and submit progress reports
